8100 SC 6 Zyklop Speed Ratchet Set, 1/2" drive, metric, 28 pieces

The Zyklop Speed Ratchet, 1/2"

EAN:	4013288173874	**Size:**	325x150x70 mm
Part number:	05004076001	**Weight:**	2888 g
Article number:	8100 SC 6	**Country of origin:**	CZ
		Customs tariff number:	82041100

- The Wera Zyklop Speed ratchet combines the advantages of five different types of ratchet in one. And it is a really fast mover
- Fine-tooth design allows a small return angle of 5°
- Freely pivoting ratchet head, push button release and left/right switchover
- With Take it easy tool finder: colour coding by size
- Set in robust textile box

Incredibly compact set arrangement with many tools in a minimum of space. A completely new ratchet set feeling thanks to the unique textile boxes that are very robust and durable. They can be positioned upright for tidy storage on the workshop shelf. Additional surface protection due to textile outer material. Low weight and volume for simpler mobility. "Take it easy" Tool Finder with colour coding according to sizes.

The Zyklop Speed Ratchet, 1/2"

Incredibly fast ¼" Zyklop Speed ratchet with pivoting ratchet head and 5 predefined locking positions

Zyklop “6 in 1”

1. Fine-tooth ratchet 2. Flex-head ratchet 3. Angle ratchet 4. Quick-release ratchet 5. Power ratchet 6. Screwdriver

Pivots freely

The ratchet head pivots freely and can be locked into any defined position by using the slide switch that is positioned on either side. It is even possible to work in very confined and difficult-to-access areas with enhanced hand clearance. The predefined locking at 0°, 15° and 90°, both to the right and left, ensure safe working without any slipping of the ratchet head.

Fast movers

The Zyklop Speed ratchets are really fast movers. The gyrating mass design means that screwdriving is accelerated. The rotation-symmetric structure of the Kraftform handle and the free-turning sleeve reinforce this rapid twisting process, particularly when the ratchet does not engage due to too little resistance in the thread.

Simple direction change

All Zyklop Speed ratchets feature a thumbwheel that can be used to quickly and easily switch between clockwise and anticlockwise rotation, at any position. No complicated handling, no loss of time!

Low return angle

The reversible ratchet with 72 fine-pitched teeth has a low return angle of only 5°. This short stroke allows fast and precise work in all types of installation.

Take it easy tool finder system

Take it easy tool finder system - with profile and size colour-coding for quick and easy tool selection. Colour-coded system for hexagon drive screws (L-Keys, Zyklop bit sockets), external hex drive screws and nuts (Joker wrenches, Zyklop sockets and Zyklop bit sockets with holding function), and TORX® drive screws (L-Keys, Zyklop bit sockets).

Textile boxes

The textile boxes offer dramatically improved portability, and are space-saving to boot! This means you can now carry the same collection of tools, in a much more compact and comfortable package. The hassle of running back and forth for the right tools has now become a thing of the past. And the much lower weight of a set makes carrying more convenient than ever before. The textile box including the tool will even survive a fall undamaged.
